

ART GUILD of Rural Texas

Was established in August 2003 to augment art programs in the local rural schools and to provide programs for adults in the community. Its reach has now expanded to provide art experiences to schools in four counties: Fayette, Austin, Colorado, and Washington. The Art Guild board and members are committed to bringing the same high quality of visual and performing arts programs to our rural areas that are available in urban areas.

The two major programs are “Art After School” and a free program “Fine Art Assemblies”. These assemblies have included a variety of guest musicians and performances from the Houston Grand Opera to Arkansas folk music. The Art Guild believes in the positive impact of our programming and developmental offerings.

The Art Guild believes that our mission is to impact students and our community. We are here to discover and enlighten the passion and love of learning and experiencing art in all expressions.

We touch lives and expose individuals to all aspects of the arts. Through the art of music, painting, sculpture, and more we are committed to making a difference in those we touch.
